### **Course Objectives and Description:**

Chaplains hold a vital place within the pastoral ministry. They enter the lives of suffering people during times of serious emotional, physical, and spiritual crisis. They are loving caregivers who stand beside those who are suffering and offer them prayer, encouragement, and spiritual direction. Often, this includes ministry to entire families. As such, chaplains have to be more than just well-meaning volunteers.

Qualified chaplains are deeply committed to Scriptural integrity. Whether in hospice care, hospitals, institutional correctional centers, first responder situations, campuses, or nursing homes, HBI strives for excellence in supporting the special men and women intent on ministering God's unfailing love to a hurting world.

Christian chaplains are caring men and women of God who demonstrate God's love for a hurting world by sharing the gospel of Jesus Christ.
