MESSAGE FROM THE PRESIDENT

Welcome to Heart Bible Institute,

When you signed up for Heart Christian University, you took an important spiritual step. You did not enroll in a program of a denomination or organization. You enrolled in a "school of the spirit." It is the training of your spirit by the Holy Spirit—and that schooling never ends.

The purpose of Heart Bible Institute University is not to provide you a mountain top spiritual experience and then send you back into the valley of life to lose it. The true test of your training will be the ability to take what you learn in school back into the valley of everyday life and ministry to use it. The success of your experience also rests in your willingness to pass on to others what you learn.

And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also. (II Timothy 2:2)

Where this spiritual call to harvest will take you, only God knows, but you can be assured that you do not have to labor alone. You have joined a great army of laborers, dating back to the disciples of Jesus, who have heard the call and responded. You are part of a growing network of international harvesters!

Never settle for less than the final objective. Keep sowing and reaping, in seed time and harvest time, until every group, every tribe, and every nation is reached with the Gospel.

Apostle, Pastor Dornett McIntosh
President
Heart Bible Institute University

HISTORY, PURPOSE, AND DEVELOPMENT OF THE SCHOOL

About Us

We aim to help our students advance in the Kingdom and acquire meaningful job placement.

HEART Christian UNIVERSITY (HCU) offers programs to equip and empower faith-based leaders who will change the world through the power of love.

Heart Bible Institute is a distinctly Christian online institution of higher education, where you can discover and grow in your God-given gifts and calling. At HCU, we offer certificate programs, as well as degree programs at the Associate, Bachelor, Master, and Doctorate level. Training leaders who will advance the Kingdom is our mandate.

Our courses are available to anyone who meets our entrance requirements and requires comprehensive study and self-discipline. All students must have a High School Diploma / GED or be working towards acquiring one of the two. Courses are relevant and useful to the spiritual development of all who desire to engage in faith-based humanitarian work and gain a deeper understanding of the word.

Our curriculum is used internationally. All degrees at Heart Bible Institute University are earned degrees.

All degrees are achieved by mandatory coursework that must be completed.

Heart of God Healing Center is the sponsoring organization of the Institute. We have been in existence since 2008. It is not the desire of the Network to create a denominational structure but rather a network working between denominations, churches, organizations, and nations to raise up laborers for worldwide spiritual harvest. It is to this purpose why we have become an International Network that is dedicated to recruit, train, motivate, and mobilize a network of international harvesters. We offer aggressive ministry training for equipping those for Christian leadership. We emphasize balanced doctrine, servanthood, leadership, character development, and developing a biblical global perspective.

The University is birthing a vision designed to move laymen from vision to reality. The curriculum takes students beyond teaching to training where participation is required. The participation to which students are challenged is that of spiritual reproduction. Jesus' final command was to reproduce spiritually (Matthew 23:19-20).

HISTORY, PURPOSE, AND DEVELOPMENT OF THE SCHOOL, Continued

What We Believe

- We believe in the Scriptures of the Old and New Testaments in their original writing as fully inspired of God and accept them as the supreme and final authority for faith and life.
- We believe in one God, eternally existing in three Persons – Father, Son and Holy Spirit.
- We believe that Jesus Christ was begotten by the Holy Spirit, born of the Virgin Mary and is true God and true man.
- We believe that God created man in His own image; that man sinned and thereby incurred the penalty of death, physical and spiritual; that all human beings inherit a sinful nature which issues (in the case of those who reach moral responsibility) in actual transgression involving personal guilt.
- We believe that the Lord Jesus Christ died for our sins, a substitutionary sacrifice according to the Scriptures and that all who believe in Him are justified on the grounds of His shed blood.
- We believe in the Bodily resurrection of the Lord Jesus, His ascension into Heaven, and His present life as our High Priest and Advocate.
- We believe in the personal return of the Lord Jesus Christ.
- We believe that all who repent of their sin and receive the Lord Jesus Christ by faith are born again of the Holy Spirit and thereby become children of God.
- We believe in the baptism in the Holy Spirit, empowering and equipping believers for service, with the accompanying supernatural gifts of the Holy Spirit; and in fellowship with the Holy Spirit. We believe in the divinely ordained ministries of Apostle, Prophet, Evangelist, Pastor, and Teacher.
- We believe in the resurrection of both the just and the unjust, the eternal blessedness of the redeemed, and the eternal banishment of those who have rejected the offer of salvation.
- We believe that the one true Church is the whole company of those who have been redeemed by Jesus Christ and regenerated by the Holy Spirit; that the local Church on earth shall take its character from this conception of the Church and therefore that the new birth and personal confession of Christ are essentials of Church membership.
- We believe that the Lord Jesus Christ appointed two ordinances – Baptism in water and the Lord's Supper – to be observed as acts of obedience and as perpetual witnesses to the cardinal facts of the Christian faith; that Baptism is the immersion of the believer in water as a confession of identification with Christ in burial and resurrection and that the Lord's Supper is the partaking of the emblems as symbolical of the Savior's broken body and shed blood, in remembrance of His sacrificial death, till He comes.
- We believe that divine healing was provided for in the Old Testament and is an integral part of the Gospel.
- We believe the Bible teaches that without holiness no man can see the Lord.
- We believe in the doctrine of sanctification as a definite, yet progressive work of grace, commencing at the time of the new birth and continuing until the consummation of salvation.
- The ministry is open to any further truth which the Holy Spirit may illuminate from the Scriptures.

Life Experience

All degrees at our college are earned degrees. This is achieved by mandatory coursework that must be completed. Our courses are available to anyone who meets our entrance requirements. Our courses require comprehensive study and self-discipline for those looking to earn online degrees. College transcripts do not always reflect real life experience. Our college recognizes life experience which may have been gained through years of work which is ministry related. Many people have served in ministry positions and have gained a lot of knowledge and experience in their fields, but do not have any formal certificate, diploma, or degree. Life experience credits can give some of the recognition needed for this service in the work of the Lord. This acceptance of life credits helps a potential student to accelerate their learning experience and enables them to earn a fully accredited degree. Applicants must have more than five years in a recognized position in ministry.

No Diplomas/Certificate or Degrees can be awarded based purely upon life-experience. Life experience credit cannot be given for an entire degree but is limited to a maximum of 30 credit hours. Life experience, which could include such things as books authored, mission trips, classes taught, outreach ministries, ministries within a church, etc., must be documented along with the years they occurred and submitted for evaluation.

GUIDELINES RULES AND REGULATIONS

Standard of Conduct

The Scriptures establish the basic principles which should guide the development of Christian character and govern all Christian behavior. Practices which are known to be morally wrong by biblical teaching are not acceptable for members of the Institute community.

While Scripture does not provide specific teaching regarding all social practices, it does advocate self-restraint in that which is harmful or is offensive to others. All questionable activities that would be detrimental to Christian character and testimony are disapproved.

Within the traditions of its Christ-centered mission, Heart of God Healing Center Bible College expects its students to exemplify a high standard of behavior and personal values. These expectations include the following:

1. Respect for the rights and human dignity of others, especially in the conduct of relationships;
 2. Respect for the rights and needs of the Institute community to develop and maintain an atmosphere conducive to academic study and personal life;
 3. Respect for the Institute's academic traditions of honesty and integrity;
 4. Respect for the different backgrounds, personalities, beliefs, and spiritual traditions of students, faculty, and staff who make up the Institute community; a willingness to assist others in need of support, guidance, or friendship;

**Disciplinary
Action**

The first infraction will result in a verbal warning. The second offense will be in writing. A Disciplinary Report form will be completed by the faculty member who becomes aware of the alleged violation. The faculty member retains the right to deal directly with cases of prohibited conduct. Students must be notified of the evidence of a violation and must have an opportunity to respond. In cases where both faculty member and student agree that the alleged violation did occur, and if the student agrees to the proposed sanction for the incident, then the faculty member and student are requested to sign a Disciplinary Report form, which briefly details the violation and sanction. The form is filed in the school office.

If the faculty member and student do not agree about the facts of the alleged violation or the proposed sanction, then a meeting may be requested with the Director. Both faculty member and student will be required to attend. Evidence of the alleged violation will be presented, and the student will have the opportunity to respond to the evidence. It is the responsibility of the Director to determine whether there has been a violation and what, if any, sanctions should be imposed.

If the infraction is of such serious nature, the Director may immediately suspend or terminate a student.

GUIDELINES RULES AND REGULATIONS, Continued

Suspension

A student may be suspended for any specified length of time as determined by the Director. All students readmitted after suspension for disciplinary reasons are placed on disciplinary probation for the remainder of the semester. If their suspension was for less than one semester, suspension will include the conclusion of said semester and the entire first semester following their return.

The Institute reserves the right to require the withdrawal of students because of low standards of scholarship, poor physical or mental health, or attitudes and standards of behavior which conflict with the Institute.

A student who does not fit in with the aims and ideals of the Institute may be asked to withdraw for the general welfare of the Institute and the student, even though there may be no specific breach of conduct.

Termination

Termination is a permanent dismissal from the Institute and will apply in cases where the Director deems there is evidence that conduct, achievement, or other factors warrant such action.

Academic Guidance

The academic program of the Institute is designed to prepare the student for effective ministry. Therefore, guidance relating to individual programs of study, course enrollment, and graduation requirements is provided through the Academic Dean.

Registration

Students should arrive on campus on registration day. Classes missed because of late registration will be counted as absences and will count in the total of absences for the semester.

Transfer Students

Students desiring to transfer credits into the Institute from another Institute are required to submit an official transcript. A copy of their catalog or equivalent available information may be required by the school. Credit may be granted for relevant work done on an equivalent level.

In some cases, the Institute may require additional support information from the sending school, such as grading scale, scheduling, course description, and syllabus, before final approval of transfer of credit. The student should inquire directly with the school which he/she plans to attend to determine if they will accept credits from this institution.

Transcripts may be obtained by submitting a Transcript Request form to the school office. The cost is \$25.

Audit

Permission to audit a course must be given by the Academic Dean at the time of registration or within the allowable period for schedule changes (changes are not allowed beyond the second week of classes). Audit courses may never be changed to credit courses. If a student desires a course status change from a credit course to an audit, the appropriate forms must be completed and approved by the Academic Dean.

Students auditing a class are there to learn through observation not participation. Audit students are not permitted to ask questions or make comments in class.

Dropping and Adding Courses

Students who desire any type of course change must receive approval from the Academic Dean and complete all required forms. Until mid-term, a student with excuse (i.e. hospitalization, job transfer, etc.) may drop a course without academic penalty. To withdraw from or drop a course, the student must first complete a Drop/Add form and secure the approval signatures of the instructor and the Academic Dean.

If a course is dropped within the first two weeks, the teacher will record **canceled**. After the two week window with excuse for dropping a course (e.g. hospitalization, job transfer, etc.), the teacher will record a **withdraw pass (WP)** or for dropping without excuse after two weeks, the teacher will record a **withdraw failing (WF)** on the Drop/Add form. The form is then forwarded to the school office and posted on the permanent record.

Failure by the student to follow proper procedures when dropping a course could result in an automatic failing grade for that course.

The portion of tuition to be refunded will **only** be given the first two weeks of the semester. There is no tuition refund for a student who withdraws from or drops a course after the second week of the semester. Books are **always** non-refundable.

The allowable time to add or change a course is during the first two weeks of the semester. To add or change a course, the student must first complete a Drop/Add form and secure the approval signatures of the teacher and the Academic Dean.

Academic Difficulties

Any academic difficulties are to be referred to the Academic Dean. For an appointment, please call the Institute office.

Repeat Courses

Courses may be repeated for students who have dropped or failed. If a student receives a letter grade of F, only the higher grade is computed in the overall grade point average. Full tuition cost is required for repeat courses.

GUIDELINES RULES AND REGULATIONS, Continued

**Class
Attendance**

Students are expected to attend all classes. If a student knows in advance he will be absent, prior arrangements are to be made with the instructor.

Unexcused absence from 2 classes will result in a grade drop (i.e. A- reduced to B+). No student shall be allowed to pass a course if the total of all absences, excused and unexcused, is equal to or exceeds 120 minutes of classroom instruction per credit unit offered. Students leaving class early without permission of the instructor will be counted absent.

Fifteen minutes late to class constitutes a tardy. Three (3) times tardy constitutes an absence.

When a student exceeds the maximum allowable absences in a course, the Academic Dean will be notified and the student will normally be dropped from the course. In the exceptional case involving excused absences, the student may appeal to the Dean for a policy waiver. Waivers will be granted on the basis of course work being made up. Until the appeal is processed, the student should get permission from the instructor to attend the class on a temporary basis.

When excessive absences result in a student being dropped from a course, policies regarding dropping courses will apply. **(See Dropping/Adding Courses)**

An absence for any reason except for unavoidable emergency or illness will not be an excused absence.

The instructor is responsible to warn the individual student and notify the Academic Dean before the limit of absences is reached.

**Assignments
and
Examinations**

Students are encouraged to prepare a study schedule at the beginning of each semester and adhere to it carefully so that sufficient time is allotted for study.

All assigned work (term papers, book reports, etc.) will be due on date designated by the instructor. Failure to submit work when due may result in a grade reduction. The student is responsible for all make-up work when absent from class, and the due date set by the instructor remains mandatory.

Assignments and examinations must be completed on schedule, as outlined by the instructor. Late tests will be administered only for excused absences. Final examinations are to be taken at the time scheduled. Ordinarily, no early exams are given. All students are required to take scheduled final examinations.

GUIDELINES RULES AND REGULATIONS, Continued

Academic Probation

A student must achieve a cumulative grade point average of 1.75 at the end of the first semester in order to carry a full course load the second semester. A 2.0 grade point average should be maintained for all remaining semesters while enrolled at the Institute (GPA is based on a 4.0 grading scale). Any student falling below the 2.0 grade point average after the second semester will be placed on academic probation. Students on academic probation will be restricted from participating in all school activities and other leadership positions.

If no significant improvement is seen in academic performance by the end of the probationary period (usually one or two semesters), the student will become subject to dismissal from Heart Bible Institute University.

Students on academic probation for two (2) consecutive semesters will be considered ineligible for scholarship funds which may be available for the Institute to designate.

Academic Disputes

If a student disagrees with the grade they receive, they may make an appointment with the Academic Dean for consideration of the dispute. After the Dean reviews the issues and responds, the Dean's decision is final.

Withdrawal from the Institute

Students withdrawing from Institute before the end of the semester for any reason must get a Withdrawal From Institute form from the school office and obtain all signatures indicated. Failure to do so will result in automatic fail grades in the courses in which the student is enrolled and may be grounds for denial of re-admission. Any refund is determined by the date of the official withdrawal.

Change of Address Procedures

Students are to notify the Institute office in writing of a change in address or telephone number. A Change of Address form may be obtained from the school office.

Media Use

Audio or video recording of any class without prior permission is strictly prohibited. A student may use a laptop computer in class to take notes.

Academic Honesty

As a community committed to Christian thought and behavior, the Institute fosters honesty and integrity. The Institute is also committed to the pursuit of academic excellence, for students and faculty alike.

Learning is an opportunity and a privilege that demands responsibility and an uncompromising level of honor, integrity and trust. The expectation at HBIU Institute is that students and faculty will take advantage of the opportunity for intellectual development, and that they will also conduct themselves in a manner consistent with the standards of academic honesty. When these standards are violated or compromised, individuals and the entire Institute community suffer.

Continued on next page

GUIDELINES RULES AND REGULATIONS, Continued

Violations of Academic Honesty

Violations of academic honesty include, but are not limited to:

1. Use of illicit aids during an examination.
2. Giving or receiving illicit aid on an examination.
3. Copying from another student's examination, term paper, homework or lab report.
4. Unauthorized access to computer accounts of others.
5. Plagiarism (submitting the exact words, data or ideas of another without properly acknowledging the source).
6. Theft of examination material.
7. Falsifying works or records.

The Academic Dean is to review and respond to alleged violations of academic honesty. Provisions of the academic honesty system are as follows:

1. Instructors retain the right to deal directly with cases of academic dishonesty that may occur in their classes. Students must be notified of the evidence of a violation and must have an opportunity to respond. In cases where both instructor and student agree that the alleged violation did occur, and the student agrees to the instructor's proposed sanction, then the instructor and students are required to fill out an Academic Dishonesty Report form, which briefly details the violation and sanction. The form is filed in the Admissions and Records office.
2. When the instructor and student do not agree about the facts of the alleged violation or the proposed sanction, then a meeting may be requested with the Academic Dean. Both instructor and student will be required to attend. Evidence of the alleged violation will be presented and the student will have the opportunity to respond to the evidence. It is the responsibility of the Academic Dean to determine whether or not there has been a violation and what, if any, sanctions should be imposed.

Heart Bible Institute University recognizes the necessity of students to take responsibility for their ethical behavior and to maintain academic honesty in their own work. Additionally we expect all students to promote ethical behavior throughout the Institute community by taking responsible action when there is a reason to suspect dishonesty.

We do not seek to create a community of informers. Rather, we depend upon a person's good will to care enough for a fellow student to warn the individual to abandon dishonesty for his or her own sake and that of the community. Thus, we ask all students and faculty to share the responsibility of maintaining an honest environment.

Continued on next page

GUIDELINES RULES AND REGULATIONS, Continued

Violations of Academic Honesty, continued**Responsible Actions By Student:**

Each student, as an integral member of the academic community, is expected to make a commitment not to act dishonestly and not to tolerate dishonesty on the part of other students. As a community, the students are responsible for maintaining an ethical environment. A student who is aware of a possible violation of the procedures and policies should report the violation to the Academic Dean.

Faculty Responsibilities:

At the beginning of each course, every faculty member is expected to clearly define expectations and procedures for all academic work in the course. This includes procedures for class assignments, citations in written work, assistance on homework, etc. Preferably, this information should also be provided in writing to students. Each faculty member is expected to foster an environment of mutual trust and respect in and out of the classroom, including evaluation of the students in a fair and reasonable manner.

Responsible Actions By Faculty:

Each faculty member is expected not to tolerate academic dishonesty. A faculty member who becomes aware of a possible academic honesty violation may discuss it with the student(s) involved if it seems that such a discussion might help to evaluate the situation. If this discussion results in the decision that the initial suspicion was justified, then the faculty member is expected to take appropriate action.

Materials

Heart Bible Institute University has the program material necessary in order to complete the requirements for each course of study.

Currently, Apostle Moses is gainfully employed as the Chief Information Officer at R&M Richards (a women's apparel manufacturer), which is one of the tenth largest manufacturers of women's apparel. He has been with this company since August/2006 in which he received a plaque award of excellence & outstanding for dedicating untiring services to the company and fellow employees.

In April of 2004, Kenneth and his wife Adelia became the Visionary and Senior Pastors of Changed Lives International Ministries, Inc. which started as a home prayer group which contained races of all people: Latinos, Blacks, Whites, Italians, Indians and of Slavic Descent. The focus of this ministry was to bring and unite all for prayer and Bible study. This ministry outgrew the home and we were able to expand and move into a facility until the Lord saw fit to move them into their own edifice where he served as Senior Pastor for eight years. Between the times, Kenneth has had some accomplishments not only in his career but with numerous awards in humanities, community services, citations, certificates and accomplishments in both the world and Church.

He was affirmed as Prophet and installed as Pastor under Oil of Joy Ministries II until the Lord saw fit through Apostle Patricia Rodgers-Wiley to release him and his wife to work the ministry that God had for them to do where they now are the Senior Pastors of Ground Work Ministries Int'l, Inc. As time moved on, Kenneth and his wife Adelia worked ministry. The call of God was becoming for evident as an Apostle, Kenneth began traveling to the Bahamas, Evangelizing, teaching and the Lord caused mighty works to be wrought through him. There were literal doctor reports of proven miracles worked in his ministry: People healed of Cancer, one person healed from HIV, there were two people healed who had crossed eyes and now are straight, miracle of a couple in ministry where the wife was barren and by the Word of the Lord with instructions a healthy baby boy was

born, and other afflictions. Reports of those accepting Jesus Christ through his ministry was also becoming evident as only influence of the Holy Ghost. During all of this, it was and still is Kenneth's passion of the Teacher. He studied under the tutelage of his Father-In-Law (his Jethro) Dr. Prince H. Marshall, Sr. who spent a great portion of his own life nurturing and developing Kenneth for the Apostleship and affirmed Apostle and ordained Bishop simultaneously in May 2007.

Our instructor has years of counseling and training in the area of chaplaincy, with 10 years of Pastoral Leadership. She has taught over 500 Chaplains in the areas of Prison, Hospital, Police, Grief, and Hospice chaplaincy. Chaplains hold a vital place within the pastoral ministry. They enter the lives of suffering people during times of serious emotional, physical, and spiritual crisis. They are caring caregivers that stand beside those who are suffering, offering prayer, encouragement, and spiritual direction. Often, this includes ministry to entire families.

As such, chaplains have to be more than just well-meaning volunteers. Qualified chaplains are deeply committed to Scriptural integrity. Whether in hospice care, hospitals, institutional correctional chaplaincy, in fire, police, and emergency roles or campus chaplaincy and nursing homes, HBI strives for excellence in supporting the special men and women intent on ministering God's unfailing love to a hurting world. **Dr. Tymon Moore, Dean and Director of Heart Bible Institute –**

Pastor Tymon Moore, DD is a man whose faith in God, humility in service and boldness to speak the truth has qualified him to carry the Gospel of Jesus Christ to the lost.

A native of Brooklyn, NY, Dr. Tymon was raised as a Seventh-Day Adventist where his foundation in God began and where his love for praise and worship was born. He was inspired by leaders in that denomination who broke tradition and encouraged others to worship God in liberty and in truth.

After hearing a life-changing message on television, tailor-made for him by Bishop TD Jakes, he found his way to Atlanta, GA. There, he and his wife were members of a church for over 12 years; co-founding and leading the youth ministry; serving as ministers and in various other capacities. There he experienced liberty in the expression of his praise and worship to God. As time went on, he began to discover the prophetic gift in him but yearned for guidance on how to embrace and walk in it.

On June 21, 2016 Dr. Tymon and his wife received the call from God to begin Living Sacrifice Outreach Ministries — #LSOM (el-sahm); a 501(c)(3) nonprofit benevolence ministry serving the community through food and clothing donations, married and engaged couples counseling, Bible study and the preached Word of God. On November 19, 2017, they were ordained as Pastors of #LSOM by Bishop

Kenneth and Pastor Tamara Brown of Clarion Christian Ministries, with whom they are in a blessed and honorable covenant. Since then, God has opened doors for his "Brothers of Adullam" Men's Ministry, where he ministers monthly to the men of the Atlanta Recovery Center in downtown Atlanta. Open and honest about his testimony, he endeavors to prevent others from making life-altering and destiny-hindering mistakes, as he teaches about the redemptive gift of life through Yeshua/Jesus Christ.

As a student of Ashford University, he was exposed to the importance of knowing how to reach adult learners. He is an anointed marketplace mouthpiece for God and the skills of his earthly career as a Senior Trainer have afforded him information that have enhanced his ability to teach the Word of God to all ages. In June of 2019, Pastor Tymon was blessed with the honor to receive a Doctorate of Divinity from Heart Bible Institute University at the direct recommendation of its CEO and President, Apostle Dornett McIntosh. Being recognized for his theological accomplishments, service to mankind and dedication to the betterment and uplifting of the community has truly been a humbling experience; inspiring him to do even more for the glory of God.

For almost 15 years, he has been married to his high school sweetheart, best friend and partner in ministry, Theodisia. Together they are blessed with four amazingly anointed children: Ahli, Zhanaya, Judah and Micaiah.

**Pastor Theodisia A.J. Moore, Chaplain Regional Director,**

Pastor Theodisia Moore is a woman deeply in love with God, who has been expressly called to the ministry of reconciliation, repentance and forgiveness.

A native of Brooklyn, New York, she grew up in Blessed Hope Church of God in Christ, where her love for the accuracy of the Word of God was founded. Even as a pre-teen, it was clearly evident that Pastor Theodisia began to take the Bible seriously. She excelled and served a vital role in the youth ministry as she represented them at various conferences; being groomed and cultivated under the leadership of the now Bishop Jerome Mayfield, Jr. At the age of 12, she accepted Christ as Lord and Savior of her life and at 13 years old, she preached her first sermon at Church of God in Christ on the Hill. At 16, she began to crave more of God and decided to set out on a journey to find Him...alone. As a result, God led her to True Worship Church Worldwide Ministries in Brooklyn, where she learned to apply the fundamentals of salvation and righteousness to her Christian walk, under the training and example of the late Bishop Clarence V. Keaton.

Pastor Theodisia has an extensive background in drama and oratory and set out for a career in the theatre and film industry. She became a sought out performer throughout New York City, becoming more skilled in standing before diverse audiences. However, it was not yet revealed that God was using this earthly training to prepare her for a divine lifelong assignment of preaching the Gospel of Jesus Christ.

After graduating from college, she moved to Atlanta, GA. There, she and her husband faithfully served as ministers and were co-founders and leaders of the youth ministry in the church they were members of for 12 years. While serving as a dedicated armor bearer for several years; she gained much needed experience and on-the-job training in leadership, endurance and spiritual integrity.

On June 21, 2016, God called Pastor Theodisia and her husband to come out of the four walls of the traditional church to reach those who may never walk through church-house doors. From their obedience to God, Living Sacrifice Outreach Ministries — #LSOM (el-sahm) was born; a 501(c)(3) nonprofit benevolence ministry serving the community through food and clothing donations; married and engaged couples counseling; Bible study and the preached Word of God. On November 19, 2017 she and her husband were ordained as Pastors of #LSOM by Bishop Kenneth and Pastor Tamara Brown of Clarion Christian Ministries, with whom they are in a blessed and honorable covenant.

Be Trained in Emergency Response- Become a Responder for The Salvation Army, The Red Cross, and multiple other Christian/non-profit relief organizations that need trained people during times of crisis!

ABOUT THIS DEGREE PROGRAM:

The frequency of crises and disasters is startling. These are the days in which we live. Disasters, various emergencies, and even terroristic activities threaten our people; even our churches. When we, the church, are called upon to respond, are we ready? Even with a heart full of desire, Christian people, in most cases, do not know how to respond. Entire communities are unprepared for sudden natural or man-made disasters. Crises affect our world and we must prepare to meet the needs they create. This degree program is designed to prepare you to lead your church and community to respond in times of crisis.

The program consists of eight courses which are the equivalent of forty hours of study. Texts must be selected from the list of Authorized Textbooks provided below. Although all textbooks may be ordered simultaneously, assignments must be submitted one at a time. Once a textbook is read, a 10-page paper describing what was read must be submitted for grading. A four to six-page paper is required for each No Travel Seminar. We are simply asking students for a summary of the material. A 10-15 page paper is required for the Crisis Management Plan Project.

Review the How to Submit Your Work tab concerning submission of assignments.**SPECIFIC DEGREE PROGRAM REQUIREMENTS:**

The Bachelor of Arts in Emergency Response 911 degree program requires a total of 125 hours. This is comprised of eight courses (40 hours), a Crisis Management Plan Project (5 hours) plus life, ministry, education, military and work experience (80 hours).
