

Dr. Yvette Mann

Director of HBI Honorary Doctorate Program

Dr. Mann oversees the entire program, including candidate recruitment, enrollment, registration criteria, scholarship information and deadlines. She also serves as a point person for oversight of territorial recruitment goals and promotional and public relations accountability.

Dr. Yvette Mann is an amazing woman of God who fears the Lord and is very subject to the voice of God. Dr. Yvette Mann is the founder of Kingdom, Dominion and Power Ministries Inc. as well as Daughter's of Zion Healing Ministry, where she is currently building and setting foundation. She is the wife of Lovely J. Mann, Jr. of 27 years and from this union, she was blessed with a son Brandon L. Mann.

Yvette is a prophetic voice being elevated in this hour by God as a mouthpiece to the Body of Christ. After years of wilderness experience, pruning, and spiritual preparation, Yvette was officially and formally summoned by God where she accepted her call into ministry in 2007. Dr. Yvette Mann has been licensed and ordained into the ministry for over 10 years where she has been preaching the gospel. Dr. Yvette Mann is under the covenant and leadership of her Apostle and Chief Prelate Apostle David L. Adkins, Sr. from Strong Tower Pentecostal Ministries in Hamden, CT.

Yvette traveled for years to help serve other leaders in ministry, where she always found herself being used by God. Little did Yvette know God was preparing Yvette for the call. God would quietly whisper to Yvette and say get ready daughter for the greater call and to not be afraid of the greater things to come, for I the Lord thy God will be with thee Saith The Lord. Yvette is reminded of a scripture that God speaks often to her. John 7:38 - He that believeth on me, as the scripture hath said, out of your belly shall flow rivers of living water.

On February 3, 2018, Dr. Yvette Mann was honored with an Honorary Doctorate Degree of Divinity from the Heart Bible Institute University where Apostle/Dr. Dornett McIntosh is the President. This Honorary Doctorate Degree was given to Dr. Yvette Mann for the labor and effective work she has already done in ministry and for the work of the community. Yvette is also a licensed Chaplain where she helps bring collaboration to bring an impact and change to her community in the City of Hartford. Yvette is still in awe of what God has done and gives God all the Glory.

Yvette thanks God for the opportunity that was given to her where she led Prayer Groups and Bible Study Ministries at Cigna and Aetna until her season was up. Yvette experienced some very powerful moves of God on the people of God in Corporate America. There were many souls won for the Kingdom of God through this great experience and she gives God all the glory for what He has done.

Yvette served on the clergy staff for 10 years at the Hogar Crea Women's Center in Hartford, CT, where she ministered the word of God along with bringing salvation, healing and deliverance to women who were substance abuse users, wounded vessels, battered and broken. Yvette loves seeing the healing, breakthrough and the deliverance of God go forth on the women of God. She was introduced to this ministry by her loving Aunt Evangelist Mary Thomas. Yvette enjoys speaking life into the women and men of God where the seeds are being planted and God is giving the increase.

Overall, Apostle//Dr. Yvette Mann is just an ordinary Woman of God doing the extraordinary work of God.
