

REV. DR. JOSEPH KITUR

Dean and Director of Heart Bible Institute – Africa

Rev. Dr. Joseph Kitur is a licensed pastor, serving with the Africa Inland Church – Kenya, from April 1997 to this date.

Rev. Dr. Joseph Kitur is a missionary, having a great passion for the unreached peoples and tribal groups, since his youth. His passion for Christian Missions was to be later rekindled and kept burning by his professors at Pwani Bible Institute, Rev. Joseph Kim from Korea, Rev. David Morse and Rev. Marvin Smith from the US.

As a result of the training and experience, he begun international evangelistic missions, church planting, and Christian Leadership Seminars, covering Mara/Ukerewe, Mwanza and Musoma in Tanzania, Mbarara and Kidgum in Uganda, Kigali and Rwamagana in Rwanda, Gisenyi and Kivu in the DRC, Lilongwe and Mzuzu in Malawi, and Ndola in Zambia, between 1998 and 2019. All these short-term evangelistic trips that ended with frequent follow-up visits establishing the faith-based foundations were possible through Rev. Dr. Joseph Kitur's undying love for evangelism to bring the word of God to the people.

In February 2012, Rev. Dr. Joseph Kitur, out of passion for the progress of local pastors and church leaders, established Uasin Gishu County Christian Initiative, a Community Based Organization, for the purpose of helping interdenominational pastors and church leaders to experience deeper fellowship with each other while engaging in activities that will help them generate income.
